ECO FRIENDLY

d-COPIA
3513MF e 3514MF

The standard professional functions offered by the d-Copia 3513MF and 3514MF ensure **high efficiency** for daily workflows, especially in small workgroups. For enhanced office **productivity**, the systems offer print, copy and scan speed up to 35 pages per minute and a 50-sheet automatic reverse document feeder. With a memory expandable up to 1538 MB and a top paper capacity of 800 sheets from 4 different sources (bypass and 3 trays), both models can handle **heavy-duty workloads**. They support user **authentication** directly from the operator panel, via network or via an optional IC Card. The high capacity of both toner and drum minimises running costs and environmental impact, combining high **quality and savings**.
