

ECR 6920F ELECTRONIC CASH REGISTER

The Olivetti ECR 6920F cash register is a top performer offering specialised functions for operators in the hospitality sector.

Intended for heavy workloads, this user-friendly model features a large flat alphanumeric keyboard for direct selection of 126 PLUs, and a high-speed thermal alphanumeric printer to issue receipts and print texts, promotional messages and logos.

The easy-to-read 2-line alphanumeric operator display provides programming support, while the pop-up adjustable customer display offers maximum flexibility in any environment.

With the distinctive look of Italian design, the ECR 6920F also features USB connectivity for easy programming via PC and a serial port to connect external barcode readers for quick and easy item registration.
