Xerox® WorkCentre™ 3550
Multifunction Printer
Value-driven performance
for your office

WorkCentre™ 3550 multifunction printer

Raise the productivity bar. The WorkCentre 3550 helps your business optimise productivity with high-speed copy, print and fax capabilities, plus scan features that streamline your work processes.

Step up to higher performance

The perfect balance of productivity and ease-of-use, the WorkCentre 3550 multifunction printer will help you regain time spent each day on document-related tasks.

- **Setting the pace.** Print and copy speeds up to 33 ppm.
- **Plenty of paper.** A paper capacity of 550-sheets (expandable to 1,050 sheets).
- **Improve your image.** Impactful 1200 image quality printing in black and white and scanning in vibrant colour.
- **Print from any application.** A choice of PostScript® 3™ and PCL® print drivers ensure your output comes out the way you expect.
- **User friendly control panel.** An efficient menu layout helps you accomplish routine tasks more quickly.
- **Multi-tasking enabler.** Now you can effectively accomplish all the tasks your single-function devices used to perform – receive faxes while you are making copies or printing – and save valuable office space.

High-impact features that won't impact your budget

The WorkCentre 3550 is value-packed and capable of handling all your print, copy, scan and fax needs.

- **Duplex Automatic Document Feeder.** Gives you convenient, money saving, two-sided output across all features.
- **Reduce your document-related costs.** Resource-saving features include toner-saver and power-saver modes, paper-saving N-up printing and ID Card Copy. Plus, the WorkCentre 3550 is ENERGY STAR qualified.
- **Incorporate colour scanning into your workflow.** Easily convert hardcopy documents to digital PDF files and send them to your server, email contacts or USB memory device.
- **Say hello to your modern fax machine.** Get all the great features of a top fax machine – speed dials, Secure Fax, colour send and fax forward to email – plus many workflow enhancing capabilities.
- **Handy front panel USB port.** Print from and scan files to your USB memory device.

Discover the benefits of scanning

Find out how useful scanning can be at improving your work processes and clearing your workspace of cluttered file cabinets and paper-strewn desks.

- Scan and email colour documents and high-quality photos directly from the device. LDAP support automates contact lookup.
- Network scanning lets you store documents to the network for convenient workteam access.
- Optical Character Recognition software turns hard copies into editable electronic documents.
- Connect your USB memory device into the conveniently-located port for easy storage.
- Industry-standard scan file formats including PDF, TIFF, Multi Page TIFF and JPEG.
- The Network Scan Manager lets you quickly change scan settings and add or delete scan destination folders on your computer.

WorkCentre™ 3550 Quick Facts

- Up to 33 ppm print and copy
- 600 x 600 dpi (Up to 1200 x 1200 enhanced image quality)
- 75,000 pages/month duty cycle
- 550-sheet capacity, expandable to 1,050 sheets

216 x 356 mm

WxDxH:
582 x 488 x 554 mm

Designed with your workteam in mind

With the WorkCentre 3550, office tasks that used to require multiple manual processes can be accomplished with the touch of a button.

- **Built for the masses.** Full support for your choice of operating system platforms, whether it's Windows, Linux/UNIX or Macintosh.
- **Remote management tools.** CentreWare® Internet Services provides real-time monitoring, device setup, viewing of toner and paper levels, plus efficient supplies ordering. Xerox Status Monitor alerts users when an error occurs during printing.
- **Control access to sensitive information.** Information security is a universal need for every business. Secure print and secure fax capabilities keep your documents from printing until you're ready to release them with a unique PIN.
- **Close to your workteam.** All the features in one small footprint so that everything is conveniently at hand.
- **Maximise uptime.** Just one integrated print cartridge and a high-capacity paper tray.

1

Duplex Automatic Document Feeder provides fast scanning, copying and faxing of two-sided multi-page jobs.

2

50-sheet multipurpose tray handles a variety of paper and custom sizes, including envelopes, labels and post cards.

3

500-sheet tray provides plenty of paper capacity for workgroup printing, copying and faxing.

4

An additional 500-sheet tray (optional) boosts total capacity to 1,050 sheets.

5

USB memory port lets you save to or print directly from a USB memory drive – no computer needed.

6

One-touch power-save button allows fast and simple switching to power save mode or device shut-off during periods of extended downtime. Another press of the button quickly restores power.

7

Advanced faxing capabilities include Embedded Fax and PC Fax (send only), plus Fax Folders, Secure Fax Receive and fax forwarding options.

8

Find frequently used fax numbers and email addresses in the address book. You can also print an address list.

The simple front panel makes wakeup functions and features accessible with the touch of a button.
