HP LaserJet MFP M436 Printer series

Affordable A3 copier—your desktop copying workhorse

Count on reliable, affordable A3 MFP productivity to expand potential. Simplify workflows with efficient scan solutions and copying, and get networking plus remote monitoring. Save resources and time with automatic paper-handling features.²³

HP LaserJet MFP M436n Printer

HP LaserJet MFP M436dn Printer

HP LaserJet MFP M436nda Printer

Set the pace with reliable A3 productivity

- Conserve resources with automatic two-sided printing and copying—consume up to 50% less paper.
- Capture both sides of the page with ease, using the 100-sheet reversing automatic document feeder.
- Launch tasks at the device—streamline copying; capture a two-sided ID; and darken, enlarge, or reduce images.
- Create a one-sided copy of a two-sided ID—quickly capture the front and back on a single-sided page.

Business copying performance without compromise

- Put affordable MFP performance with exceptional value to work for your business.
- Help protect your investment and get affordable running costs, using Original HP toner cartridges.

Built-in networking and remote monitoring

- Easily set up, print, and share printing resources with built-in Ethernet networking.
- Identify new devices and gain insight into printing with HP Web Jetadmin remote discovery and monitoring.¹

Product walkaround

- 1. Automatic document feeder (ADF) cover
- 2. ADF width guide
- 3. Scanner glass (A3)
- 4. 250-sheet output bin
- 5. Front door access to toner cartridges
- 6. 250-sheet input tray 2
- 7. 250-sheet input tray 3 (optional)²
- 8. 100-sheet reversing ADF (input)¹
- 9. ADF output tray
- 10. 4-line LCD, 10 key pad, 4-button quick set
- 11. 100-sheet multipurpose tray 1
- 12. Tray 3 jam cover
- 13. Hi-Speed USB 2.0 printing port
- 14. Built-in Ethernet 10/100 Base TX networking
- 15. Automatic two-sided printing and copying³

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs.

Choose from:

Optimized Care (optimum performance and stability):

4 hour Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Standard Care (high level of uptime):

Next Business Day Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Basic Care (minimum recommended support):

Next Business Day Onsite Support

4 hr Onsite Support:

Onsite support within four hours after a service call received within the coverage window

Next Business Day Onsite Support:

Onsite service the next business day after the service call is received

Maintenance Kit Replacement Service:

Onsite replacement of your printer's maintenance kit including parts, materials, and labor

Installation with Network Configuration Service:

Assembly, network configuration, and basic administrator familiarization For more information about HP Care Pack, HP Contractual, or HP Managed Print Services, visit hp.com/go/printservices

Windows 8

Top Features

Move business forward with affordable A3 printing and copying at up to 23 ppm.⁴ Save time and resources with automatic two-sided printing and two-sided scanning.^{2,3} Simplify workflows—send scans where they need to go directly from the MFP.

Get high-quality pages with affordable running costs, using Original HP toner cartridges and long-life drums. Print more pages with fewer interruptions, using high-yield cartridges—up to 13,700 pages (ISO)⁴.

Gain connections for the modern work style, and remotely monitor your environment. Quickly share resources with built-in 10/100 Ethernet. Gain fresh insight into your environment with remote discovery and monitoring.¹

Footnotes

- 1 Not all HP Web Jetadmin features are supported on the HP LaserJet MFP M436. HP Web Jetadmin is available for download at no additional charge at http://www.hp.com/go/webjetadmin

- ² Automatic two-sided printing is standard on the HP Laser Jet MFP M436dn and HP Laser Jet MFP M436dn.

 ⁴ Measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

Product Walkaround disclaimers

- ¹ Reversing automatic document feeder is standard on the HP LaserJet MFP M436nda only. Requires a separate purchase for the HP LaserJet MFP M436n and HP LaserJet MFP M436dn.
 ² Purchase of optional paper tray required to reach maximum input capacity.

- Automatic two-sided printing is standard on the HP LaserJet MFP M436dn and HP LaserJet MFP M436nda.

 Measured using ISO/IEC 24734 and excludes the first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
